I expeditious and dedicated Mukul pursuing career in BCA. I have learnt so many skills related to computer science like programming in C , C++. I have fully fledged knowledge of Data structures. I have big area of interest in Web Development and I initiated it recently. I have the abilities to lead a team and worked as an organizer in my academic session. I want to explore more things and gain some more skills in the IT industry. So that, I can see the growth of my career.
